PO Box 218  
Gosford, NSW, 2250

Dear Sir/Madam,

*In your own words what Rhema means to you and why it's important that the licence is renewed. The type of things that it would be helpful to say (but in your own words) would include:*

- 1. That you are aware that Rhema FM Gosford is applying to ACMA to have their five-yearly licence renewed.*
- 2. Why you want Rhema FM Gosford to continue their Christian radio service on the Central Coast.*
- 3. That other radio stations on the Central Coast do not provide the 100% Christian programming content that you want.*
- 4. That other radio stations on the Coast do not give you, as part of the Christian community on the Coast, an opportunity to express your views.*

*Explain to ACMA that the Central Coast needs a Christian service like Rhema FM Gosford to help people meet the many challenges that are common in the area, such as family breakdown and youth suicide. Only Rhema plays programs that address these issues from a Christian worldview.*

*Thank them for considering your request and the Christian community of the Central Coast's need and desire for Rhema FM Gosford to continue broadcasting.*

Yours sincerely,
